

SHAPING GREAT COMMUNITIES

## Urban Designer

GSP Group is celebrating 25 years of practice providing community planning, urban design and landscape architecture services throughout southwestern Ontario. From our offices in downtown Kitchener and Hamilton, GSP Group serves the private and public sectors on a wide range of projects.

GSP Group has big plans for the future and we need the best talent to make it happen. As a multi-discipline land use planning, urban design and landscape architecture firm, the business is always evolving. Our team needs to be agile, ambitious and creative in pursuit of our shared goals. This is an amazing and unique opportunity for an experienced and high-performing professional to join our well-established, award-winning multi-disciplinary team in a primary leadership role.

At GSP Group, collaboration is a key part of our identity and success. With so many talented professionals, you'll find cross-discipline support for projects is always within reach. Our team is made up of the industry's best land use planners and landscape architects, and we want to bolster our burgeoning urban design team. Together, we are "*shaping great communities*" with smart, influential design.

We are seeking an **Urban Designer** in the Kitchener office where you will:

- Prepare concepts, design briefs, reports, guidelines and other deliverables for a wide range of planning and urban design projects;
- Complete site review and analysis and determine and illustrate opportunities and constraints;
- Create conceptual and detailed designs and related graphics and visual representations, including hand-drawn and digital drawings, sketches or models for a variety of development proposals and to demonstrate and visualize key concepts and strategies;
- Develop materials for consultation events and assist with community and stakeholder engagement activities;
- Apply a range of visualization and communication techniques including hand-drawing skills and digital visualization tools with proficiency in design and graphics software such as Adobe Illustrator and InDesign, Sketchup, or similar, with AutoCAD proficiency preferred but not required.
- Be proficient with Microsoft Office including Word, PowerPoint and Excel, as well as online meeting applications such as Teams and Zoom.

GSP Group is a great place to work. We have a dynamic team of professionals committed to creating great places, and doing so in a collegial, professional environment. We are an employee-owned firm and offer competitive salaries and benefits.
