

SHAPING GREAT COMMUNITIES

Posting Date: July 20, 2023

Application Deadline: As soon as possible

Starting Date: Upon availability of candidate, ideally as soon as possible.

Location: Kitchener Office

Role: Senior Planner and/or Planner

Who are we looking for:

GSP Group is currently seeking a full-time Senior Planner with at least 7 years of professional experience and/or a full-time Planner with at least 3 years of professional experience to join our Kitchener office. GSP Group is an employee-owned company that has been providing community planning, urban design and landscape architecture services from our offices in downtown Kitchener and Hamilton for close to 30 years. This is your opportunity to work among a creative and multi-disciplinary team of planners, urban designers and landscape architects on a variety of exciting projects for a range of both public and private sector clients across Southern Ontario, which demonstrate our passion for shaping great communities.

Responsibilities associated with this position:

As a senior planner and/or planner at GSP Group you will apply your knowledge of the planning process, critical thinking, effective communication skills and creativity to take on a range of challenging projects through teamwork and collaboration with other team members, by:

- Preparing proposals to outline the scope of services and creating work plans, schedules and budgets to meet the needs of potential clients and their specific project requirements;
- Provide supporting role to Development Planning Manager and/or Policy & Municipal Planning Managers while mentoring and coaching intermediate and junior planners
- Coordinate and manage a full range of planning applications including Official Plan and Zoning By-law Amendments, Draft Plans of Subdivision and Condominiums, Site Plans, Severances and Minor Variances;
- Undertaking research, planning policy analysis, report writing, application preparation and submission and community engagement in support of development proposals and municipal planning services and projects;

- Contributing to long-range planning studies and land use plans such as official plans, secondary plans and comprehensive zoning by-laws and the provision of municipal planning services;
- Provide expert and/or planning opinion as part of OLT hearings, and prepare affidavits, witness statements and other material in support of OLT hearings;
- Coordinating the preparation of development concept plans, graphics and other visuals with our design team;
- Overall client and project team management, including GSP team members and consultants, and municipal staff through the planning approvals process;
- Making presentations to councils, committees, and community groups.

Qualifications required for this position:

Candidates applying for this position with GSP should have the following qualifications:

- Bachelor's or Master's degree in Urban Planning or related discipline, from an accredited university, and full membership, or eligibility for membership in OPPI / CIP;
- Senior Planner - A minimum of seven (7) years of relevant work experience with knowledge of the planning process and the legislative and policy framework in Ontario;
- Planner - A minimum of three (3) years of relevant work experience with knowledge of the planning process and the legislative and policy framework in Ontario
- Excellent analytical, communication, organizational and time management skills with attention to detail and the ability to work on multiple projects both as part of a team or independently towards the preparation of project deliverables;
- Be capable of carrying multiple projects or tasks at one time, with strong organizational and time management skills, and a keen attention to detail;
- Proficiency in Microsoft Office including Word, PowerPoint and Excel as well as online meeting applications such as Teams and Zoom.

A little more about our company:

GSP Group has a dynamic team of energetic and passionate professionals who are committed to working together to create great places, and doing so in a collegial, engaging, and fun environment. We believe that every project that we are a part of provides new opportunities and experiences to draw upon. We utilize this belief to promote the professional development and mentorship of staff in order to benefit both our overall team and our clients. We are an employee-owned firm and offer competitive salaries and benefits, and promote work-life balance with our Social, Health and Wellness, and Green Team, as well as summer hours from May to September to help get a head-start on enjoying the warm weather and weekends.

Through our hybrid working model, we are excited to be back in our open-studio office, which is located within a historic post and beam building in Downtown Kitchener's Innovation District and within walking distance of parks, trails, shops and dining. As a growing and vibrant community in southern Ontario, Waterloo Region is a great place to be, with an integrated transit system, community programming and recreation opportunities, and a strong economy.
